

SIS, Schoology, & GOOGLE Workspace for Education

What's the difference? Where do I find what I need?

SAME LOGON

SIS (PARENT VUE)

Student Information System

The Student Information System (SIS) supports all aspects of a student's educational experience and includes demographic data and information related to scheduling, attendance, discipline, health, grades, test results, and academic programs.

Available on SIS:

- Class schedules
- Attendance
- Grade book
- Progress Reports
- Course history
- Discipline
- Health
- School information
- Update your email address and weCare@school

Mobile App Available

[Parent Account Overview](#)

Schoology

Learning Management System (LMS)

Schoology is a learning space that enhances face-to-face and distance learning through communication, collaboration, and personalized learning.

Available on Schoology:

- Access your child's classes
- View upcoming assignments
- Access various tools designed to facilitate student learning and communication
- View school, class, and group announcements
- **Google assignments NOT viewable**

Mobile App Available

Use **Fairfax County Public Schools** for the school not Lemon Road ES

GOOGLE Workspace

FCPS Google Workspace for Education allows FCPS students to communicate, store files and collaborate on documents, spreadsheets, and presentations in real time from school, work, or home, all within a secure "closed campus" online environment.

Available on Google Workspace:

There is **not** a Parent View account for Google Workspace.

Parents are encouraged to explore Google Workspace with their children by logging in together. You will be able to have your student log in to his or her FCPS Google account at home and show you what they are currently working on in class.

No Parent Account Available
